1. Answer: B. She learned about endangered animals.
 2. Answer: B. They sleep for most of the day.
 3. Answer: C. They stretch their jaws to swallow large animals.
 4. Answer: Bamboo.
 5. Answer: False.
 6. Answer: False.
 7. Answer: Sunny.
 8. Answer: 12.
 9. Answer: True.
 10. Answer: False.
 11. Answer: Large.
 12. Answer: 20.
-

Reading 2: Under the Sea: Coral Reefs

13. Answer: A. They are full of different species.
14. Answer: B. Coral polyps.
15. Answer: Storms (or erosion).
16. Answer: B. When coral loses its color.
17. Answer: False.
18. Answer: True.
19. Answer: False.
20. Answer: True.
21. Answer: True.
22. Answer: False.
23. Answer: Species.
24. Answer: Climate.
25. Answer: Fishing.
26. Answer: Tourism.
27. Answer: Stressed.
28. Answer: Rising.
